

Daily Bible Reading Plan 2: In Chronological Order

This plan allows you to read through the Bible chronologically from Genesis to Revelation in one calendar year. It provides a New Testament and an Old Testament reading and places the Scripture in the order of events rather than date of writing. We encourage you to start on the reading that corresponds with today's date, whatever that may be, and carry on until you have read completely throughout the entire bible. This Bible reading plan prepared by A. Allison Lewis and used by permission.
